Say goodbye to their husband, father, father-in-law and grandfather

James Breckenridge Davidson

who passed away peacefully in his 89th year on Thursday January 13th 2022 at the Îlot du Parc in Lutry.

James is also survived by sister-in-law Joanne Nielson in Scotland and nieces Christine and Carol in New Zealand.

Married to Kathleen for 65 years, James led a rich and varied life, travelling the world before, and after, settling in Switzerland in 1971.

He often said his greatest success was his family, and he will live on in our memories as a man of integrity whose joy and enthusiasm for life will remain an inspiration to us all.

With sadness, this announcement comes after a small private service held at the Scots Kirk in Lausanne.

We would like to thank in particular the Îlot du Parc who assured that James' final days were spent in comfort and the company of his family

For the sake of auld lang syne” Robert Burns
